## **AVENTURA ANNOUNCES TEAMING RELATIONSHIP WITH ORTRONICS**

**Hauppauge, New York, July 11, 2008**—**Aventura Technologies, Inc.**, the industry leader in advanced digital video recording technology announced today that it has entered into a teaming relationship with Ortronics Legrand an innovator in the structured cabling systems market.

Frances Cabasso, Aventura CEO said, “Aventura has always pursued relationships with similar best-of-breed partners. Ortronics simply is a natural. Ortronics has pioneered the way in enterprise structured cabling systems in a similar fashion to Aventura’s lead in enterprise video solutions.”

Ms. Cabasso further stated, “The future of CCTV video is across category cabling and teaming with organization that have a similar vision helps us provide the one-stop-shop corporate philosophy. Now we can extend our end-to-end reach by being able to propose the proper infrastructure which connects all the pieces of the puzzle.”

Ms. Cabasso added, “We will be featuring the combined Aventura/Ortronics solutions at the upcoming ASIS, BICSI and ISC East security shows in the upcoming months, where our customers can see for themselves the future in complete enterprise architectures. We look forward to a bright and promising future with our new teaming partner.”

### **About Aventura Technologies, Inc.**
